

Gator Nights! Organization Hosting Policy

Registered Student groups (*in good standing*) can host events during Gator Nights if they adhere to the following guidelines:

Gator Nights hosting is limited to areas in and around the Reitz Union or Southwest Recreation Facility and must take place between 6:00pm and 2:00am.

Events must be innovative, creative, support diversity, maximize the numbers of students served compared to costs of event and support the missions of the University, JWRU and Gator Nights.

Student groups may not host more than twice a semester with Gator Nights with events that take place in the Rion Ballroom, Amphitheatre, Orange & Brew, and North Lawn. (*Other locations may be approved for more hosting opportunities as space becomes available*)

Host Application and Program Planning Permits must be **completed** at least 2 weeks from event.

Advertisements must include Gator Night Logo

Student Organizations will be subject to the Event Services cancellation fees if the event is not cancelled in an appropriate amount of time.
(<http://www.union.ufl.edu/eventservices/terms.asp>)

If policy is not followed student groups may lose their reservation on the space and may lose their ability to co-sponsor an event with Gator Nights.
