INTERNAL JUDICIAL PLAN

Chapter: _____

Academic Year: _____

Confronting inappropriate behavior and creating high standards of ethical conduct are important goals of sororities and fraternities. **To make certain that these mechanisms exist in all chapters, each organization is required to document annually the existence and function of an internal judicial system to enforce their own policies and procedures.**

Each organization must have the means to act quickly in addressing the behavior of a member(s) who violates established codes or standards, through its own internal procedures or those of the (inter)national organization. This includes:

1. the means to promptly and permanently expel from the chapter, where applicable
 2. all rights of due process for member(s) charged
 3. adherence to (inter)national policies and procedures
