

Reitz Union Hotel Update

We are excited to share an important update regarding the Reitz Union Hotel.

As part of our ongoing commitment to providing comfortable accommodations and exceptional service in the heart of the University of Florida campus, the Reitz Union has partnered with [Meyer Jabara Hotels \(MJ\)](#) to manage hotel operations.

Meyer Jabara Hotels brings nearly 50 years of industry experience and a portfolio of more than 40 properties nationwide. Their expertise in hospitality operations and guest service will help enhance the overall experience we provide for our guests.

While MJ is leading day-to-day management, the Reitz Union will remain actively involved as the property owner to ensure the hotel continues to reflect our values and commitment to the campus community.

Please be assured that all existing reservations and group bookings remain in place and have been seamlessly transitioned. There is no action required, and our team is committed to ensuring a smooth and uninterrupted experience for all upcoming stays.

Most importantly, our focus remains unchanged: delivering a welcoming atmosphere, outstanding service, and excellent guest experience. You can expect the same environment you know and trust, along with thoughtful enhancements in the months ahead.

We truly value your loyalty and look forward to welcoming you back soon.
